

Pavan Sethi

Software Engineer

EXPERIENCE

Cryptoasset Trader

Nov 2014 - Present

- Extensively researched hundreds of cryptoassets
- Formulated investment theses based on current market conditions
- Created tools to track trades and identify investment opportunities

Operations Analyst

[OrderAhead](#) Sep 2014 - May 2016

- Designed internal contractor-management tools for ratings, scheduling and payments
- Accurately predicted and managed staffing levels by analyzing statistical data
- Scaled a team of 10 contractors in one city to a team of 1000 across the city before being acquired by Square, Inc.

Lead Analyst

[Verb Ventures](#) Mar 2014 - Aug 2014

- Led a team of five employees conducting research on several startup ideas and execution strategies
- Built various business websites and setup complex analytics tracking
- Experimented with and spearheaded online marketing techniques that were instrumental in gaining exposure and in customer acquisition
